Dan and Terri,

Thank you so much for the great magnets, great service and great prices. Your magnets are everything you said they would be and I could not be happier. The design you created was exactly what I needed and they really look nice.

I will definitely be back for more in the future. I wish all vendors could be as fast, efficient and professional as you.

Thank you!

A handwritten signature in blue ink, appearing to read "Mike Reynolds", is written over a faint, light blue circular stamp.
