Dear Terri & Dan,

I want you to know that I was very pleased with the quality and service that your company provided. The ease of working with both of you from the beginning to end was something that I rarely experience! My magnets are magnificent and I am very excited to hear the feedback I know will come from the Refreshment Services Team.

I sincerely appreciate your responsiveness and the way you conduct business. I will recommend your company to others because of my complete satisfaction with your service.

I look forward to doing business with you again!

Sincerely,
