Dear Terri and Dan,

The magnets are spectacular! On behalf of the City of Costa Mesa and the Fairview Park Friends Committee, thank you for your service and professionalism. Our committee wants you to know we believe the magnets will encourage our community to take time to visit Fairview Park – one of the finest areas of our city. Also, your staff's courteousness and attention to detail was impressive, making for a very smooth transaction.

Just to let you know a little more about us, the Fairview Park Friends Committee is a volunteer board of council-appointed Costa Mesa residents and Park enthusiasts. Together, the Committee organizes four annual events and four quarterly tours of Costa Mesa's crown jewel—Fairview Park. The 208-acre parcel provides Costa Mesa residents with a serene escape from the "hustle and bustle" of everyday life. Home to endangered species and native California plant life, animals and humans alike enjoy the park.

We are pleased to have the magnets as an advertising tool and will be offering them to Fairview Park patrons at our forthcoming events. Should we ever consider printing magnets for the Fairview Park Friends Committee, or any other Costa Mesa purpose, we will definitely give first priority to your business! Again, thank you for your professionalism.

Sincerely,

Linda W. Dixon
Council Liaison – Fairview Park Friends Committee
