To Whom It May Concern:

I highly recommend contacting 1-888-MAGNETS for any type of magnet order. We ordered 10,000 full-color magnets for the Milwaukee Public Schools Recreation Department and couldn't be happier with Dan and Terri's fantastic customer service. It's increasingly rare these days to find a company that can provide both extraordinary service and a terrific product, all for a reasonable price. 1-888-MAGNETS delivers on all counts.

Sincerely,
