Dear Terri and Dan:

Suzanne Stockdale, president of Stockdale Creative, asked me to thank you and your team again for your great service in getting the partial order of magnets to us yesterday.

We know that our client was as thrilled as we were with the quality of the magnets. They look great! And getting them to our client in time for their special community-wide event, on such short notice, put a smile on all of our faces. Thank you for going the extra mile so WE could go the extra mile for our client.

You have a very satisfied customer in Stockdale Creative, and we look forward to doing business with you again.

Sincerely,

Susan Parkhurst
Project Coordinator
