Dear Dan & Terri:

Thank you SO much for your incredible work on our "Save the Date" magnets for our wedding reception. You were incredibly easy to work with and very patient in answering all my questions and adjusting to my "what if we did...this?" Changes. The end result looks great!!

I've just mailed them out and have been receiving compliments about them. I sent one to my husband overseas in Iraq, and he was really pleased. He hadn't brought a picture of us with him—now he has one! Everyone is impressed at the size and quality of your magnets, and amazed at the reasonable cost. They typically guessed that I paid twice what I did.

I'll be passing along your business information to the marketing department here also—it's a great idea for advertising!

Thanks again,
Denise & JB Barnard
